Superannuated Employees

An Employee whose earning capacity is limited because of advanced age or other handicaps that may interfere with his or her activities as a Journeyman Butcher may be employed on suitable work, at a wage agreed upon by the Employee, the Employer and the Union.

ARTICLE XI

A. Health & Welfare

Locals 115, 120, 506 and 532

The Employer agrees to continue to make payments to Northern California Butcher Unions and Employers Health Trust Fund for the purpose of paying health and welfare benefits for Employees, their families and dependents.

Effective November 1, 1982 the Employer shall contribute one dollar and thirty-five cents (\$1.35) per hour to the Fund for each hour paid for or worked, exclusive of overtime hours, for each individual employed to perform work covered by this agreement and shall be subject to and entitled to the benefits of the Trust Agreement

dated March 19, 1962, establishing said Fund, and any amendments or modifications thereto, including but not limited to the requirement to pay liquidated damages as set forth in said Trust Agreement.

The contribution rate specified herein shall be one dollar and fifty cents (\$1.50) per hour for each hour paid for or worked, exclusive of overtime hours, effective November 1, 1983; the contribution rate specified herein shall be one dollar and sixty-five cents (\$1.65) per hour for each hour paid for or worked, exclusive of overtime hours, effective November 1, 1984.

The parties agree that sufficient reserves must be maintained in the health trust in order to guarantee adequate cash flow and prompt payment of claims and for these purposes it is agreed that such reserve shall be the equivalent of two (2) months' cost of operations. The Trustees are directed to pool the contributions of the health and welfare, and sick leave plans. The Employers agree to maintain the existing programs and if reserves fall below two (2) months' cost of operations for three (3) consecutive months, then in that event the Trustees are authorized to increase contributions in an amount necessary to re-establish the minimum reserve within a period of twelve (12) months. If the reserves are in excess of three (3) months' cost of operations, the Trustees shall reduce the Employer contributions by an amount which will maintain the necessary reserves. Retiree medical benefits shall continue to be funded by COB savings and the retirees, or a combination of the two.

In the event of legislation providing health and welfare or sick leave benefits which are also provided for under this Agreement, the Trustees are directed to immediately amend the Plan Document deleting duplicated benefits.

The Trustees are authorized and instructed to establish a "coordination-of-benefits" feature. Savings, insofar as savings can be calculated, will go toward improvement in retiree benefit coverage. The above is subject to approval by counsel.

Local 498

(a) It is hereby agreed that the Employer will pay Dental, Health and Welfare, and other benefits for each Employee who works eighty (80) hours or more per month, as provided in the Trust Agreement Addendum to be attached to this Agreement. In computing the eighty (80) hours hereinabove provided, it is understood that the time during vacation periods, sick and accident leave, jury duty, and holiday absences which is paid for as provided in the Collective Bargaining Agreement, shall be considered as time worked. Effective November 1, 1982, contributions to the existing plan shall be One Hundred Forty-Nine and 40/100ths Dollars (\$149.40) per month for eligible employees.

(b) Effective November 1, 1984, increase health and welfare contributions to the existing plan to One Hundred Fifty-Six and 90/100ths Dollars (\$156.90) per month for eligible employees pursuant to the letter of agreement by and between the employer and the Union.

(c) The Employers agree to maintain the existing program and if reserves fall below two (2) months' cost of operations for three (3) consecutive months, then in that event, the Trustees are authorized to increase contributions in an amount necessary to re-establish the minimum reserve within a period of twelve (12) months. If the reserves are in excess of three (3) months' cost of operations, the

Trustees shall reduce the employer contributions by an amount which will maintain the necessary reserves.

(d) In the event of legislation providing health and welfare or sick leave benefits which are also provided for under this Agreement, the Trustees are directed to immediately amend the Plan Document deleting duplicated benefits.

(e) The parties recognize and acknowledge that the regular and prompt payment of Employer contributions to the Fund is essential to the maintenance of the Health and Welfare Plan, and inasmuch as beneficiaries under the plan are entitled to health and welfare benefits for the period of time that they may have worked while covered by the plan even though contributions have not been paid on their behalf by the Employer, that it would be extremely difficult, if not impractical, to fix the actual expense and damage to the Fund and to the Health and Welfare Plan which would result from the failure of an individual Employer to pay such monthly contribution in full within the time period provided. Therefore, the amount of damage to the Fund and Health and Welfare Plan resulting from such failure shall be presumed to be the sum of Twenty Dollars (\$20.00) per delinquency, or ten percent (10%) of the amount of the contribution or contributions due, whichever is the greater, not to exceed the sum of One Hundred Dollars (\$100.00) per delinquency, which amount shall become due and payable to the Fund as liquidated damages and not as a penalty, upon the day immediately following the date upon which the contribution became delinquent, and shall be in addition to said delinquent contribution or contributions.

B. Sick Leave

Section (a) All Employees shall be entitled to four (4) days' sick and accident leave with pay after the first (1st) six (6) months of service with the Employer, four (4) additional days after the second (2nd) six (6) months of such service and eight (8) days annually for each year thereafter. Unused Sick and accident leave shall be cumulative to a maximum of thirty-two (32) days.

Section (b) An Employee who is collecting unemployment compensation disability benefits or workmen's compensation temporary disability benefits, or both, shall not receive sick and accident benefits as provided herein; provided, however, if such unemployment compensation disability benefits or workmen's compensation temporary disability benefits or both, are less than the amount of the sick and accident benefits provided therein for such period, such Employee shall receive sick and accident benefits in addition to such unemployment compensation disability benefits or workmen's compensation temporary disability benefits, or both, in an amount sufficient equal the amount of sick and accident benefits he or she would have otherwise received as provided herein.

Section (c) If an Employee is sick beyond the period of time for which he or she is entitled to sick leave benefits under this Agreement, then the Employer shall continue to pay him or her the amounts of sick leave benefits heretofore withheld because of such State or private carrier or self-insured plan payments.

Section (d) All sickness and accident benefits payments due under Section (b) of this Article in excess of five (5) days shall accrue and be payable when the Employee returns to work, is released by the doctor or when such State or private carrier or self-insured plan payments cease.

Section (e) A day's sick and accident benefit shall mean a day's pay at the rate in effect at the time the Employee qualified to receive the sick and accident benefit, and may actually be spread over more than one (1) day to integrate with other payments contemplated in Section (b) of this Article.

Section (f) The Employer shall reserve the right to request the Employee to produce a medical doctor's certificate verifying the fact of such illness.

Section (g) The sick and accident benefits shall be due and payable only as above provided and shall not be convertible to cash when not used.

Section (h) An Employee who is injured on the job and does not complete that day's work and is not permitted to return to work by a licensed medical doctor shall receive pay for the entire workday and such pay shall not be charged against sick and accident leave.

Section (i) The Sick Leave Fund heretofore created is continued, however, the Trustees are directed to modify it so that only "mobility" or Industry Service will be funded. Effective July 1, 1980, the burden for making sick leave payments to the Employees shall be the responsibility of the Employers.

The Employer will pay all sick leave directly to the Employee to the extent that he or she has accumulated. If he or she exhausts all sick leave with his or her current Employer, yet has some additional days in the Fund as a result of Industry Service, the Employer will issue same and be reimbursed by the Fund upon submission.

Section (j) Effective for anniversary dates falling on or after November 1, 1980, upon maximum accumulation, on the Employee's anniversary date each year, the Employer will make a one-half ($\frac{1}{2}$) cash pay-out to the Employee for all unused sick leave in excess of the maximum thirty-two (32) days.

Section (k) Effective November 1, 1980, upon retirement from the Northern California Butchers' Pension Fund, the Employer will make a one-half ($\frac{1}{2}$) cash pay-out of all unused sick leave to the Employee as severance pay. Only sick leave accumulated with Employer at retirement shall be eligible for the one-half ($\frac{1}{2}$) cash pay-off.

Section (l) Sick leave would be payable only following the first (1st) scheduled full day's absence from work and otherwise in accordance with the Collective Bargaining Agreement. If an Employee is hospital confined or off due to an on-the-job injury, on the first (1st) full scheduled day away from work, then sick leave will be payable with the first (1st) scheduled day.

C. Pensions

Section (a) The California Butchers Pension Trust Fund heretofore created is continued in existence and each individual Employer covered by this Agreement agrees to continue to contribute the sum of one dollar and twenty-five cents (\$1.25) per hour worked or paid for exclusive of overtime hours, for each individual employed under this Agreement to said Trust Fund and agrees to be subject to and entitled to the benefits of all the provisions of the Trust Agreement dated January 3, 1958, establishing said Fund including, specifically, the requirement to pay liquidated damages as set forth in such Fund.

Section (b) The Trustees of the California Butchers Pension Trust Fund are instructed to enter into negotiations with the boards of trustees of other similar funds applicable to the Industry for the purpose of establishing a system of reciprocity or pro rata pensions so that all of the beneficiaries of the various programs can obtain maximum protection with respect to their eligibility for the amount of benefits and duration of benefits provided under each of the respective funds, subject to the approval of the programs by the Internal Revenue Service as not endangering their tax exemptions. Such negotiations should be instituted immediately in order that they can be completed as promptly as possible.

Pension Plan for Local 498

The parties recognize and acknowledge that the regular and prompt payment of Employer contributions to the Fund is essential to the maintenance of the Pension Plan, and inasmuch as beneficiaries under the Plan are entitled to pension benefits for the period of time that they may have worked while covered by the Plan even though contributions have not been paid on their behalf by the Employer, that it would be extremely difficult if not impractical, to fix the actual expense and damage to the Fund and to the Pension Plan which would result from the failure of an individual Employer to pay such monthly contributions in full within the time period provided; therefore, the amount of damage to the Fund and Pension Plan resulting from such failure shall be presumed to be the sum of twenty dollars (\$20.00) per delinquency, or ten percent (10%) of the amount of the contribution or contributions due, whichever is the greater, not to exceed the sum of one hundred dollars (\$100.00) per delinquency, which amount shall become due and payable to the Fund as liquidated damages and not as a penalty, upon the day immediately following the date upon which the contribution became delinquent, and shall be in addition to said delinquent contribution or contributions.

D. Funeral Leave

Section (a) When a Regular Employee on the active payroll is absent from work for the purpose of arranging for or attending the funeral of a member of his or her immediate family, as defined below, the Employer shall pay him for eight (8) hours at his or her regular rate of pay for each day of such absence up to a maximum of three (3) days, provided:

- (1) The Employee notified the Employer of the purpose of his or her absence on the first (1st) day of such absence;
- (2) The absence occurs on the day during which the Employee would have worked but for the absence;
- (3) The day of absence is not later than the day of such funeral except where substantial travel time is required;
- (4) The Employee, when requested, furnishes proof satisfactory to the Employer of the death, his or her relationship to the deceased, the date of the funeral, and the Employee's actual attendance at such funeral.

For the purposes of this Article, a member of the immediate family means the Employee's spouse, child, mother, father, sister, brother, step-mother, step-father, step-children, mother-in-law, father-in-law, grandparents and grandchildren.

Section (b) A thirty (30) day leave of absence without pay shall be allowed where necessary in order to care for necessary details resulting from the death of a member of his or her immediate family as hereinabove defined; provided, further, that all leaves of absence granted in this Agreement shall be considered as part of the continuous service with the Employer.

ARTICLE XII

Section (c) Time spent serving on a jury shall not be used in computing overtime.

Section (d) Notwithstanding the scheduling provisions contained in this Agreement, the scheduled days of an Employee called for jury duty may be changed so the Employee reports on his or her day off.

ARTICLE XIV

Employees who are laid off due to lack of work shall have seniority rights in recalling for extra and/or steady jobs subsequently available with the Employer prior to the hiring of new Employees. Such Employee shall be notified by telephone, or if not reached by telephone, then by telegram or certified mail, a copy of which shall be sent to the Union.

Section (f) The selection of vacations shall be on a market basis except:

1. The vacation of an Employee shall not be changed if it was scheduled prior to his or her transfer from one market to another.

Section (g) With respect to layoffs, recall and promotions, seniority shall be based upon the length of the service with the Employer in the area covered by this Agreement; provided, where an Employee is transferred by the Employer to such area from another area, the transferred Employee shall retain all seniority rights with the Employer but shall not be entitled to exercise such rights with respect to layoff, recall or promotion until the expiration of six (6) months after the date of transfer, at which time his or her seniority shall be based upon the first (1st) day of employment by the Employer, regardless of area. This provision shall not apply to temporary relief work required as a result of illness, injury, vacation or other like temporary relief work.

Section (j) In the scheduling of predetermined short work week as provided in Article III, Section (a), of this Agreement, the assignments shall be made on the basis of seniority within the appropriate supervisorial district in the area covered by this Agreement.

Section (k) Upon request by the Union, the Employer agrees to provide a seniority list of all Employees, provided such request is not made more than once in each twelve (12) months.

Section (l) The Union will cooperate with the Employer in the scheduling of Employees for temporary part time or relief work outside the geographical jurisdiction of this Agreement. However, no Employee shall be discriminated against for refusal to accept such assignment.

Section (m) Part-time Employees with prior experience with the company will be given due consideration in the selection of applicants for permanent full-time vacancies.

The findings of this Board shall be binding upon the Union, the Employer, and the Employee, provided that the Board shall not have the authority to change, alter or modify any of the terms or provisions of this Agreement. The decision of the Board shall be by a majority and shall be reached within a reasonable time from the date the controversy is presented for adjustment.

Section (c) In the event that any dispute submitted to this Board of Adjustment cannot be settled within the period of time provided for in Section (b) above, the issue in dispute shall be submitted for disposition to an impartial arbitrator. The party presenting the dispute shall request arbitration in writing not more than thirty (30) days after the dispute was first taken up with the other party, or the dispute will be considered to have been withdrawn and waived. If no response is made to the request for arbitration within thirty (30) days, the allegations shall be deemed to have been admitted and proved. Such impartial arbitrator shall have authority only to interpret the provisions of this Agreement, and shall not have authority to change, alter, add to, delete, amend or modify it. His or her decision on any matter submitted to him or her shall be final and binding upon the Union, the Employer and the Employee. In the event an arbitrator is used, the cost of the arbitrator shall be borne equally by the parties involved.

Section (d) No controversy regarding hours or wages shall be subject to arbitration.
